

Thank you for visiting the Montgomery County Auditor's GIS HOME WEB page. The web lookup is broken down in three parts.

- 1) www.mcreatestate.org Montgomery County Auditor's Real Estate Tax Information Site
- 2) www.mcegisohio.org Montgomery County Auditor's GIS Home Page
- 3) www.mcegisohio.org/geobladevweb/default.aspx?config=aud Interactive GIS MAPS

This document is to explain the "Montgomery County Auditor's GIS Home Page". (Item 2 listed above)

The WEB LINKS on the left side of the GIS HOME PAGE are:

"GIS MAP" – The LINK will open the GIS interactive maps.

"Real Estate" – The LINK will open the Real Estate Tax Information Site.

"Auditor's Information' – The LINK will open the ELECTED OFFICIALS - AUDITOR

This page will show links to the Auditor's responsibilities.

"GIS_File Database DOWNLOAD" – The LINK will allow users to download the entire Montgomery County GIS Data for their own use without any charge. The file is a ZIP file (Need WinZip to unzip files) in a File Geodatabase format. (To be used with ESRI software) ** 1.5 GB file size**

TABS on the top of the page:

Home – General disclaimer with department contact information.

Documents – Access to Abstract Books located on the 5th floor Recorder's Office.

The documents have been scanned in a PDF format. The books can have up to 700 pages, which mean a possibility of a long download time dependent upon your internet speed.

Contact – GIS Department employees' phone numbers and email.

The Web access is still under development by scanning historical documents and making them available through our web site. If you have comments about the website please contact Henry Edds, GIS Manager at eddsh@mcohio.org ** Note: Please type "GIS WEBSITE" in the subject line.

Thank You for your feedback and support.
